**Postponing Ellementa Gatherings as Health Precaution
Women's Wellness Company Turns to Virtual Events Instead**

March 12, 2020 (Chicago, IL) In an effort to address the spread of COVID-19, Ellementa will be following the guidance of leading public health and medical experts to limit non-essential gatherings of people.

We are recommending to our local partners/leaders to postpone ALL in-person Ellementa Gatherings to hold the health and safety of people above all until health officials confirm the spread of COVID-19 has subsided or it is once again safe to meet in public group settings.

We remain committed to advancing women's wellness and promoting the understanding of how cannabis and CBD can help us in our daily lives.

We look forward to relaunching Gatherings in the coming months. We are in the process of scheduling additional virtual events to expand our online educational programming.

Ellementa Webinars: <http://ellementa.com/webinars>

Ellementa Book Club: <http://ellementa.com/bookclub>

Registrants and sponsors of our in-person events may request a credit for rescheduled Gatherings or request a refund.
